**BABY LOU AND HOLLY** - Holly Stebbing performs with her petite pachyderm, both four years old. The world's youngest performing elephant, Baby Lou does a complete routine normally performed only by elephants many years his senior. Trained and presented by John Stebbing, Baby Lou will perform when the Stebbing Royal European Circus comes to Hancock County on Friday, June 3, with performances scheduled at 6:00 and 8:30 p.m. The red and white striped big top will be set up at the Hancock County Fair Grounds. This year's circus visit is sponsored by the Fair and Livestock Association to raise funds for improvements for the youth fair. Advance tickets are on sale at a substantial savings from members of the sponsoring organization. Ticket prices in advance are: Adults \$2, Children \$1.50, and the special Family Ticket, 2 Adults and 2 Children \$5.00.

## Hancock County gains

# Earth Resources Laboratory consolidated at NASA - NSTL

by JAKE JACOB

The Earth Resources Laboratory (ERL) realignment to the National Space Technology Laboratories (NSTL) in Hancock County, announced late last week by National Aeronautics and Space Administration (NASA), is an "assignment of major proportion," according to Jerry Hlass, manager NSTL.

Hlass said NSTL was both "proud and pleased" to acquire ERL, particularly in view of its new mission, that of disseminating space related information, acquired from satellite remotely sensed data, to users throughout a 17 state area.

This latter undertaking is part of NASA's new regional Earth Resources Training Program, a function designed to train state and local government personnel, college level educators, planning agencies, and other concerned professional, trade, and business groups, as well as qualified individuals,

in the application of remotely sensed data to specific segments of government and industry."

Hlass said that ERL's director, D.W. Mooneyhan, would occupy offices at both NSTL and his present location in

NASA's Slidell Computer Complex. Mooneyhan will also assume duties of (Continued on Page 6-A)

## Sen. Stennis praises NASA move to county

Senator John C. Stennis today praised the NASA decision to make the Earth Resources Laboratory which was previously under the direction of the Johnson Space Center in Texas an organizational part of the National Space Technology Laboratories in Hancock County.

Stennis explained, "Although the people involved will continue to be located at the NASA facility in Slidell, this organizational change is another recognition at the highest levels of NASA of the growing importance of the Mississippi facility."

"In addition to other ongoing programs of the Earth Resources Laboratory," Stennis revealed, "this unit was recently assigned responsibility for serving a seventeen-state region in carrying out NASA's new

Regional Earth Resources Training Program. By this organizational change making the unit a part of NSTL, the facility itself will increasingly be the focus of this activity. Under this program, a capability will be developed at NSTL for training state and local government personnel in the application and utilization of remotely sensed data acquired from satellites for more efficient management of the earth's resources."

Stennis concluded, "In my opinion, the practical application of space technology to down-to-earth problems and opportunities is one of the most promising aspects of NASA's activities. I am pleased that NSTL will play a vital role in this expanding program."

## In dance afterglow

# Stars loose twinkle; firemen do slow burn

Confusion still reigned Tuesday concerning the "no show" of featured performers to the Hancock County Fireman's Association dance last Saturday in the American Legion Hall, Waveland.

Fats Domino and Irma Thomas, both

internationally known recording stars and night club performers, were scheduled to headline the dance, staged to benefit the firemen's equipment fund.

Ed Friloux, secretary-treasurer of the association, said Tuesday that all

persons requesting a refund of their admission (\$10 per person) would have their money refunded.

"All the expenses for this dance were taken out of our general fund."

"Ticket sales income was deposited to a special account and checks to those people requesting a refund have been written and will be in the mail shortly," Friloux said.

Friloux said that late accounting seems to indicate the association will "break even" but this is a far cry from the \$5000 they had expected to clear on the basis of sales - prior to the non-showing of the two performers.

"The people had a good time on canned music and we kept the hall open in spite of the reverse."

"Patrons who asked for their money to be refunded had their names and addresses recorded and their checks will be mailed - even though many stayed quite late, some even dancing to

## Council opens bids on Main Street Project

by JERRY WHITTLE

Four bids were presented to the Bay St. Louis City Council Monday morning for the Main Street Project improvements. The bids were taken under advisement and some action is expected at the next meeting of the council on Monday, June 6th.

Ten companies had bids forms or copies of the plans for the project, but only four bids were presented to the council for consideration.

The apparent low bidder was Williams Paving Co. of Biloxi with a bid of \$147,766.20. Their bid was some \$361.80 lower than Gregory Construction Co.'s bid of \$148,148.00.

Other bids were: Bond Paving Co. \$185,944.50 and Pearl River Paving Co. \$205,004.59.

Commissioner Lucien Kidd made a

motion to take the bids under advisement, seconded by Commissioner Larry Bennett, and passed unanimously.

In other business, Bennett noted that Mrs. Genevieve Cole has been elected State President of the World War One

(Continued on Page 6-A)

## Farmers Market will open this Saturday

Hancock County's first farmers market will open this Saturday, June 4 at the County Fairgrounds, near the Hwy 90-Kiln Rd. intersection,

Waveland.

Local farmers will offer home grown fresh produce starting 7 a.m. on Saturday. The effort is jointly sponsored by the Hancock County Chamber of Commerce, the Hancock County Farm Bureau, the County Extension Service and the Mississippi Department of Agriculture.

Opening ceremonies will be conducted at 10 a.m. with Mississippi Commissioner of Agriculture, Jim Buck Ross, as the keynote speaker. Hancock County Chamber President, P.D. (Sonny) Bailey and Hancock County Farm Bureau President, L. J. Breaux will share the M.C. spot, introducing officials and business leaders of Waveland, Bay St. Louis and Hancock County. Music and food con-

(Continued on Page 6-A)

**CITY REGISTRAR OF VOTERS** Lucien Kidd prepares ballot boxes for Tuesday's general election at his office inside Bay St. Louis City Hall. Each box must contain instructions to workers, ballots, poll books, and other paraphernalia necessary to operate precinct. Boxes are locked and sealed prior to leaving polls for delivery to election headquarters where tabulation of count is made. Election is to elect of ficers to state's first mayor-council form of government.

## South Bay precinct slashed

by JAKE JACOB

Hancock County's South Bay Precinct, long the source of discontent among its voters was split into two, separate areas recently by action of the Hancock County Board of Supervisors.

The main source of disgruntlement was the distance between some of the precinct's far flung areas and the polling booths located inside the Christ Episcopal Church and School complex on South Beach.

The original precinct stretched from Beach Boulevard, between Washington Street in Bay St. Louis, and Nicholson Avenue in Waveland, went north along both these two roads to US-90, where the Nicholson line veered due west to the division of Beats 2 and 4 line, north up the beat line and back to Highway 603 on an east line north of Bayou LaCroix, from whence it followed 603 to Longfellow Drive, travelled Longfellow back to US-90, and along the highway back to Washington.

The new precincts are divided by U.S.-90, with that area in the old precinct boundaries lying to the north of US-90 now becoming the new West Shoreline Park Precinct, with the balance, to the south of US-90 remaining as South Bay Precinct.

As before, South Bay will vote in Coast Episcopal on South Beach. The new precinct, West Shoreline Park Precinct, will vote in the new Volunteer Fire Department Firehouse just off the

## MR&DC releases building permit data for April

Building permit data released last week by the Mississippi Research and Development Center-Gulf Coast Branch Office, showed a decrease in the number and amounts as compared to the same period a year ago.

The statistics, which cover Hancock, Harrison and Jackson Counties and municipalities therein, showed a minus 10.7 in the number of permits and a

minus 18.4 in the dollar value for the month of April. In the yearly totals to date, the permits were at a minus 9.7, but the dollar values were 5.9 percent in the plus column.

During April, 1977, a total of 515 permits were issued in the area for a total of \$7,805,543. This compared with 577 and \$9,559,368 for the same period in 1976 (Continued on Page 6-A)

## Directors chop White Cypress; family resort lakes abandoned

by JAKE JACOB

Al Walker, vice president, White Cypress Lakes, North Hancock County, was informed late last week by the resort club's board of directors that the project had been abandoned.

All promotional activities have ceased and constructional personnel have been instructed to limit their work to the completion of lakes and roads. Walker said Tuesday the decision

was "a great disappointment to me," but one over which he personally had no control.

The land, amounting to some 3600 acres, is to be retained by the holding organization, I. & A Contracting Company and Fairchild Construction Co. Ltd., both of Hattiesburg, and developed in "alternate land uses."

White Cypress Lakes Resort Club was originally intended to be a membership resort center and to that end life time memberships were being sold, mostly to persons in New Orleans and surrounding area.

All memberships collected are in the process of being refunded complete with interest and a copy of the com-

pany's decision.

Personnel employed at the resort on a permanent basis are being absorbed into the organization's multi-faceted operation.

"It was simply a question of investment versus return over the long term haul," Walker said.

He indicated the company was in advanced stages of alternate land use decision and that an announcement would be forthcoming following finalization.

"We are not abandoning the property and will keep it maintained."

"Our present intent is to complete the roads and 113 acre lake, both features

(Continued on Page 6-A)

## Community Bargain Days start

Community Bargain Days will be held in Hancock County on Thursday, Friday and Saturday, June 2-4.

The annual event, sponsored by the Hancock County Chamber of Commerce, is a county wide promotion by

merchants and businesses during which the people of this area are offered a large number of bargains as they shop.

The chamber urges everyone to "shop in Hancock County and help your county grow."

### Notes

**WHC FIRE DEPARTMENT**  
The West Hancock County Volunteer Fire Department will meet Monday, June 6th at 7:30 p.m. at Parish Hall. At the meeting a fire chief and chairman will be elected. Everyone is asked to please attend.

## Obituaries

**CHARLIE JOHNSON**  
Funeral services for Charlie Johnson will be conducted Thursday at 8 p.m. in the Greater Mount Zion Methodist Church in Pearlinton, where a wake will be held from 8 until 10 p.m. Thursday.

Johnson, 87, died Friday at his home in Pearlinton.

He is survived by three sons, Arthur Johnson and Charlie Johnson Jr., both of New Orleans and Price Johnson; and three daughters, Mrs. Lillie Mae Bass of Bassfield, Miss., Mrs. Lula Mae Dosey and Alice Johnson, both of New Orleans. He will be buried Friday at 10 a.m. in the Logtown Cemetery. Baylous Funeral Home in Piquette is in charge of arrangements.

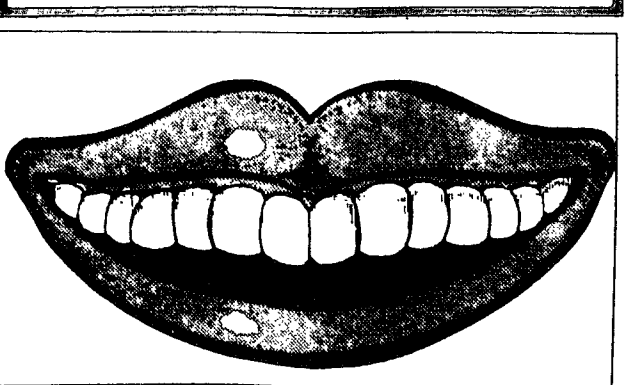

**THOMAS ARMSTRONG**  
Thomas D. Armstrong, 86, a lifelong resident of Pearlinton, died Monday at Hancock General Hospital in Bay St. Louis.

Funeral services were conducted Wednesday from the Holmes Chapel United Methodist Church in Pearlinton, followed by burial in the Pearlinton Cemetery.

He is survived by one step-daughter, Mrs. Wilhelmina Graves of Pearlinton; four step-daughters and one step-grandson. Baylous Funeral Home in Piquette is in charge of services.

Attending Mississippi Chapter, National Association of Postmasters' annual convention last month in Biloxi were: Mrs. Bertie Lohman and Mrs. Pauline Necaise, present and past postmaster respectively at Lakeshore.

Mrs. Odile R. Carter, with her young grandson, David Merritt Carter, is visiting her daughter and son-in-law, the G. W. Hagers II. Friday night, Mrs. Hager, the former Ann Carter, won first honor in a graduating class of 300 hundred at Swola

Technical School in Lake Charles.

Mr. and Mrs. Albert Biehl, Jr. held a family get-together Friday night at their home following graduation of their son, Edwin, from Bay Senior High School.

Attending were their sons-in-law and daughters Mr. and Mrs. Ron Uhler and daughter Stephanie of Slidell, and Mr. and Mrs. Junior Lackey and children Tanya and Daniel of Chalmette; and Mrs. Biehl Sr., Bay St. Louis.

Mr. and Mrs. Nelius Rhodes, Sr. returned Sunday from Jackson where they visited for several days with their son and daughter-in-law Mr. and Mrs. Rhodes, Jr. Friday they attended 8th grade graduation of their grandson Neil from St. Richards School.

Mr. and Mrs. Charles Scianna observed their 25th wedding anniversary Wednesday, May 25.

Weekend guests of Mrs. Ethel Garcia were her son and daughter-in-law, Mr. and Mrs. Ronald Garcia, their son Kirt and daughter Lynette of New Orleans.

Mr. and Mrs. Charles Scianna Jr. of LaPorte, Tex., and Mr. and Mrs. Kenneth Scianna of Pasadena, Tex., spent the weekend with their parents Mr. and Mrs. Scianna, Sr. and family.

Mrs. Charles Bolin of Cupertino, Calif., returned home Tuesday after a visit with her parents, Mr. and Mrs. Henry Capdepon and family.

Mrs. W. A. Scarborough has returned from Jackson where she spent several days with her son and daughter-in-law, Mr. and Mrs. Billy Scarborough and children, Janie, Jay, Amanda and Ginger. While there she attended eighth grade graduation of Jay from St. Richards School Friday.

Janie left Monday for a months tour of Europe.

Mr. and Mrs. Henry Capdepon and daughters Mrs. Lamar Bassett and Mrs. Charles Bolin were Monday guests of Mr. and Mrs. Capdepon Jr. and Mrs. W. L. Higgins in Gulfport.

Capt. and Mrs. Ivan Bradford visited last week in West Louisiana; they also spent the weekend with their son and daughter-in-law, Mr. and Mrs. Millard Bradford and family and with Capt. Bradford's mother, Mrs. Ida Bradford in Plaquemine, La.

Mrs. Edna Krumhar of Lenox, Mass., is visiting her son-in-law and daughter, Mr. and Mrs. Donald Favre and family.

Eugene Davis had as guests last week his son-in-law and daughter, Dr. and Mrs. Ernest Potts of Metairie; and his daughters Mrs. W. E. Folse and family of Collins, and Mrs. J. E. Folse, Metairie.

## Coming Events

**SOCIAL**  
Clermont Handcrafters will meet for their annual summer covered dish social at noon Monday, June 6, at the home of Mrs. William Richardson, Waveland.

All members are invited; those who plan to attend are asked to contact Mrs. Richardson before Saturday.

**BIBLE SCHOOL**  
Waveland United Methodist Church will hold Bible school for all ages from Monday, June 6, through Friday, June 10, from 9 to 11:30 a.m. at the church, Central Avenue and Vacation Lane.

Further information is available by calling Mrs. Maurice George at 467-7156.

## Registration underway for summer recreation

The city of Bay St. Louis is offering the following recreational programs, under the supervision of Coach Billy Rhodes, for youngsters doing the summer free of charge:

### County Agent Notes

BY JOHN W. SMITH

now for liming pastures during this summer. (Source: Dr. Kelton Anderson)

#### EARLY BLIGHT

Early blight of tomato is one of the most serious tomato diseases in Mississippi. This fungus disease can be controlled if you spray your plants with a recommended fungicide as soon as they bloom. In addition to spray applications, you should water your tomato plants early enough in the day to allow the leaves to dry quickly. This will help reduce the fungus growth that causes early blight. (Source: Dr. J. L. Peoples)

#### PRODUCE QUALITY FORAGE

Quality forage for beef cattle is becoming more important as stocking rates increase and land, fertilizer and seed prices increase. Producers can improve the quality of their forage by practicing crossfencing and rotational grazing. It's best to have at least three pastures per herd. Also, the pastures should be small enough to allow a grazing pressure of about three cows per acre. Hybrid bermudagrass will require up to five cows per acre.

Rotational grazing involves moving cattle from one pasture to another every seven to ten days. This will increase forage quality and can result in an increase in production by as much as 30 percent without additional fertilizer. (Source: Dr. Hiram Palmertree)

**DOVE FEED**  
Good dove hunting fields are hard to find on opening day of dove season. Planning ahead can help solve part of this problem.

Planting food for doves is the best way to improve hunting. Landowners should break the land as soon as possible and plant brown-top millet by June 20 for it to be ready by dove season. Broadcast seed at the rate of 20 pounds per acre, or use 15 pounds per acre if it is planted in rows. Keep row plantings cultivated to reduce weed growth because doves prefer feeding area. In broadcast fields, leave a strip the width of a disk between plots and dish the strip a couple of times this summer to reduce vegetative growth. (Source: Ross Shelton)

**LIME PASTURES**  
Livestock producers can increase their profits by properly using lime and fertilizer on grazing lands. Lime can be applied to pastures throughout the year, but it's recommended that lime applications be made during the summer if possible. This will make lime available to the grass sooner and will also help avoid the rush for liming equipment this fall when vendors are busy liming row cropland. Make plans

### Birthday party held Sunday

Terrell LaFontaine, 11 celebrated his third birthday Sunday with a party at the home of his parents, Mr. and Mrs. LaFontaine, Sr.

Joining in the celebration were his sister, Vicki, grandparents, Mr. and Mrs. Owen LaFontaine and Mrs. Lydia Favre, Chad, Kyle and Kelly LaFontaine, Keith and Kim Marquar, Alissa LaFontaine, Heather and Tyler Austin, Mr. and Mrs. Ronald C. LaFontaine, Mr. and Mrs. David Marquar, Mr. and Mrs. Dale LaFontaine, Dwayne LaFontaine and Robin Breshear.

Dairying is one of the most demanding jobs in farming. The cows have to be milked morning and night 365 days a year. There is no shutting off the cows for a couple of days vacation. Labor is hard to get for that job, and expensive to keep; so dairying remains largely a family enterprise.

**BOYS BASEBALL**

## Little League has 3 way tie

In Bay St. Louis Little League action recently, Merchants Bank upset Riemann's and developed a three way tie for first place.

The Bank used great defense and a 14 hit attack in upsetting previously un-

defeated Riemann's. MB scored four runs in the 1st inning, seven in the 3rd and another in the 4th to win by 10 runs, 12-2.

The big bats of Riemann were unable to touch the Bank pitching and it marked the

first time this season they were held to under 16 runs. Scott Adams, the league's leading hitter, had a perfect night at the plate with a 3 for 3 performance. Anthony Prendergast, Pat Barrett, Mike Barnes and Craig Breland each had two hits each for the winners. Barrett got the victory for the Bank.

Barry Fredrick and Allen Chasse had two hits each for the losers.

In the battle of the "bankers", Hancock Bank edged Gulf National Bank, 15-14, in a thriller.

Backed by a 14 hit attack,

Brock Godwin and Gus Alme pitched HB to the 1 run victory. It was the first loss for GNB and put them in a three way tie for first place with Riemann's and Hancock Bank.

The lead in the game changed hands several times, but going into the top of the 6th, GNB was in front by 12-9. HB then put together one of the larger rallies of the season, scoring 6 runs on 4 hits. The inning was climaxed by a line drive homerun by Alme, the first in the league this season.

GNB attempted a comeback in the bottom of the 6th, scoring 2 runs, but a diving catch on a line drive by Hancock's Ronnie Artiques produced a double play and ended all hopes for GNB.

Brock Godwin had 4 hits for the winners; David McIver led GNB with 3 hits.

In other action last week: Riemann's defeated American Legion, 16-12. Dennis Johnson was 4 for 4 for the Legion. Hancock Bank beat the Legion by 22-12. Gus Alme had 3 hits for the winners; Keith Hess had the only hit for the losers. GNB dropped Our Shopping Center, 21-1. David McIver and Rowe Crowder combined to pitch a no hitter for the winners.

### TOP 10 HITTERS (at least 6 at bats)

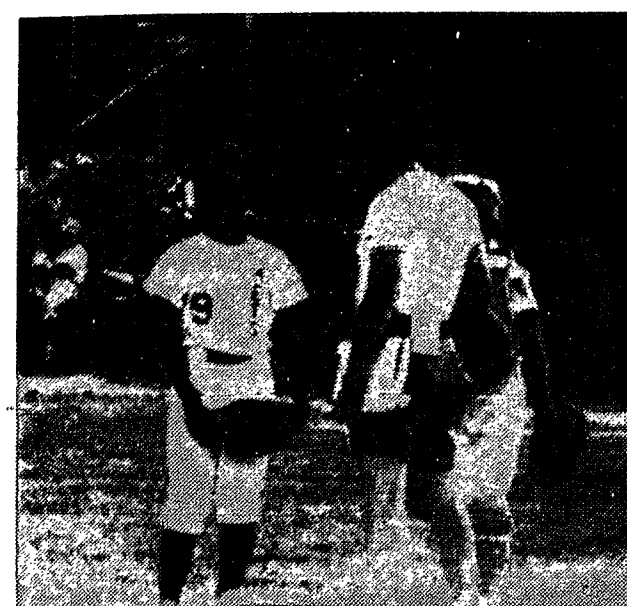

1. Scott Adams	MB	.727
2. Greg Williams	GNB	.714
3. Barry Fredrick	RIE	.714

## Swimming classes planned

Red Cross Swimming Classes have been scheduled at St. Stanislaus Pool starting at 8:30 a.m. on Monday, June 6.

Schedule of the classes will be as follows:

**BEGINNER**-June 6-10 (three classes, one week each) 8:30 a.m.  
**BEGINNER**-June 13-17, 1 p.m.  
**BEGINNER**-June 20-24, 1 p.m.  
**ADVANCED BEGINNER**-June 27-July 1, 1 p.m.  
**INTERMEDIATE SWIMMER**-July 5-15 (two weeks), 2 p.m.  
**SWIMMER CLASS**-July 18-29 (two weeks), 2 p.m.  
**ADULT CLASSES**-being July 25, 7:30 p.m.

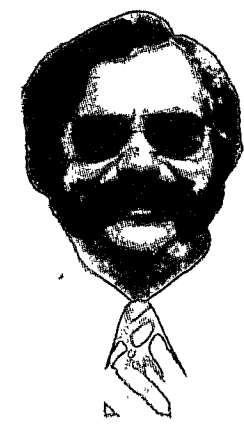

Registrations will be taken at the school office for an advanced life saving course from August 1-13 for a total of 21 hours at a cost of \$3.

Those taking the classes are asked to park by the Brothers cemetery or on Booker by the beach. There will be no parking allowed by the pool or new gym.

## Births

Mr. and Mrs. Gerald P. Mauffray of Kiln announce the birth of their first child, a daughter, Shannon Elizabeth, May 25 at Crosby Memorial Hospital, Picayune. She weighed eight pounds, 2 1/2 ounces.

Mrs. Mauffray is the former Karen Kimberly Scott, daughter of Mrs. Melba Seymour, Bay St. Louis, and Robert Scott, Hot Springs, Ark. Paternal grandparents are Mr. and Mrs. J.C. Mauffray, Kiln. Maternal great grandparents are W.G. Sykes, Roanoke Rapids, N.C.; and Mrs. John Divers, Roanoke, Va.

**HAROLD V. CARVER**

FOR

**Councilman Ward 2**

DEAR VOTER:

DURING MY 30 YEARS AS A SUCCESSFUL BUSINESSMAN I HAVE COME TO APPRECIATE THE VALUE OF SOUND BUSINESS PRINCIPLES AND ALSO HOW TO WORK WITH PEOPLE. PLEASE ELECT ME YOUR COUNCILMAN AND LET ME PUT THIS KNOWLEDGE AND EXPERIENCE TO WORK IN OUR CITY GOVERNMENT.

YOUR TAX DOLLARS DESERVE THE SAME RESPECT AS YOUR CONSUMER DOLLARS. AS A MERCHANT I HAVE ALWAYS GIVEN YOU FULL VALUE FOR YOUR CONSUMER DOLLAR AND AS YOUR COUNCILMAN I WILL SEE THAT YOU RECEIVE FULL VALUE FOR YOUR TAX DOLLAR.

OUR CITY NEEDS GOOD MANAGEMENT JUST AS ANY BUSINESS. PROPER PLANNING AND BUDGETING, CAREFUL BOOKKEEPING AND AUDITING, PREVENTION OF WASTE AND UNNECESSARY EXPENSE ARE JUST AS IMPORTANT IN GOVERNMENT AS IN COMMERCE. THESE FUNCTIONS PROPERLY BELONG TO THE COUNCIL AND WILL BE MY GOALS FOR OUR CITY COUNCIL. ROUTINE REPORTING TO YOU AS TAXPAYERS WILL ALSO BE DONE.

THINK OF YOUR TAX DOLLARS AND PLEASE VOTE FOR HAROLD V. CARVER ON JUNE 7TH.

SINCERELY,

**Harold V. Carver**

CANDIDATE FOR COUNCILMAN

# Hurricane Anita leads list of '77

Hurricane Anita is the designated lead-off hurricane for the 1977 season. If she gets a turn at bat others named to her team are: Hurricanes Babe, Clara, Dorothy, Evelyn, Frieda, Grace, Hannah, Ida, Jodie, Kristina, Louie, Mary, Nora, Odel, Penny, Raquel, Sophia, Trudy, Virginia, and Willene. Since 1953, women's names have been used by the National Weather Service to identify tropical storms and hurricanes. The last two hurricanes of major proportions to hit

Hancock County were Hurricane Betsy in 1955, and the killer Hurricane Camille in 1969. Last year's unusual weather pattern that resulted in most of the county experiencing a severe winter was also responsible for keeping most major hurricanes out in the Atlantic and away from the United States. The hurricane specialists, according to news reports, are predicting the end of the pattern, a change of cycles that could bring "...vicious storms to millions of unprepared Americans."

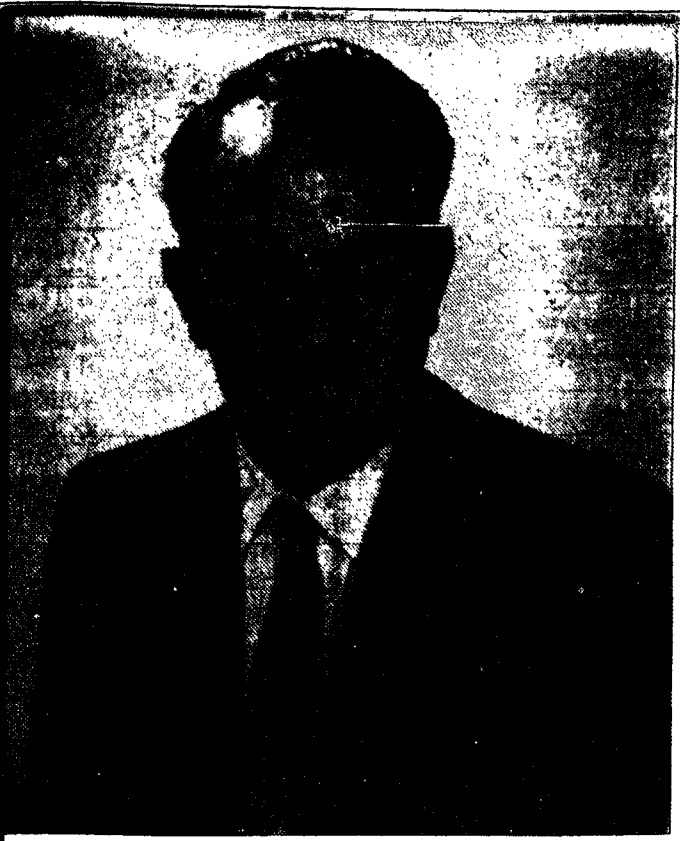

According to the USDA's Economic Research Service, the average age of U.S. farmers has declined for the first time since 1910. The 1975 average age of 50.4 years is almost three years below the 1970 average.

Water, water everywhere! A cow drinks between 4,000 and 7,000 gallons of water each year - equal to 40 to 70 very large bathtubs filled to capacity.

MAYOR WARREN CARVER OF Bay St. Louis, signs proclamation declaring week of June 13-19 as National Unity Week. Flanked by two missionaries, President Jerry Mimms of the Waveland Branch, Church of Jesus Christ of Latter-Day Saints, Waveland Branch, witnessed signing and said to mark event church will hold open house 7:30 p.m., Tuesday, June 14, at the chapel on the corner of McLauren and Nicholson. Open house theme will be the Family Home Evening program where Mormons will share with visitors their ideas on love, unity, and the importance of the family.

## Whittlin' with Whittle

By JERRY WHITTLE  
ECHO MANAGING  
EDITOR

Last Monday was Memorial Day across the nation and "right" observations were held by a number of people and organizations...most notable by organizations composed of those who have served their country with honor...vets and their auxiliaries. Roses to those people.

On the other side of the coin, we heard several interviews on TV that came as a shock. The interviewees came up with a lot of surprise answers when asked, "What does Memorial Day mean to you?"

The answers ranged from, "a day off" to "our wedding day." Most of those answering did not even mention the true reason for the observation of the special day set aside to give honor to those who have served their country. Hard to swallow.

You may have taken note that action has been taken on the pier that was out of commission for several weeks. Hats are off to the county for their actions.

The odd hanging lights at the end of the Bay Bridge continue to confuse those traveling into the Bay. But we have finally figured a way to see the changing of the light in your lane of traffic, but it is not the way to go about things. We have noticed if you pull into the turn lane you can see both of the thru traffic lights just right. But if you are not turning left, you've had it. In

order to see the turn signal, you just might have to get on top of the divider. As we've said before, there's going to be a serious accident at the intersection if the highway department does not fix the lights.

The theory seems to be that so long as a man is a failure, he is one of God's chillun, but that as soon as he has any luck, he owes it to the devil...H.L. Mencken.

Well, we still have a few readers of Whittlin'. After the announcement in this column last week of our seeking a letter writer, we got a number of people to tell us who and where the lady was located. She also called. Thanks folks!

Hope you enjoyed the Heritage Edition last Sunday. Joe Pilet did an outstanding job for us and we are very thankful. If you missed getting a copy, or need one for family or friends, we have additional copies at our office.

Greatness is its own torment...Theodore Parker.

Tuesday is election day in Bay St. Louis...VOTE!

Have a nice day!

## Letter to the Editor

HERITAGE EDITION  
EDITOR WRITES  
LETTER OF THANKS

Dear Friends and Gentle People:

How can I find words with which to express my very real gratitude and appreciation? Without your help, without the information you gave me and the lovely old pictures you so generously loaned, our Heritage Edition could not have been printed. I thank you.

And dear advertisers: I thank you, too. Your support made possible a great deal of enjoyable reminiscing in a year when remembrance of things passed has taken on new significance. Without your backing we just couldn't survive, and we want you to know we are aware of and appreciate your help.

And dear readers: How very kind and gracious you have been to telephone your appreciation, to drop by and to send an occasional note to let us know you are enjoying reading about our heritage. These are the thoughtful, nice things people of Hancock County unfailingly do.

And, lastly - to those of you who didn't quite make the deadline, or those of you who did and whose material didn't get into print - I am sorry. But I

## The People's Business

BITING THE HAND THAT FEEDS THEM

Though it may sound unlikely, it is true nonetheless. Some of the people who are most distrustful of our nation's economic system are some of its beneficiaries.

It is an unfortunate commentary on our system. Some of the people who earned livings through free enterprise now want to tear it down.

Basically, the problem boils down to a lack of economic education. Many of the people who are opposed to free enterprise do not know that profits mean more jobs, higher pay, more fringe benefits, more government services, and economic prosperity.

They are unaware that competition, productivity, and profits are integral - not evil - elements in our system. They do not know that too much idealistic government interference with business can hamper the business and increase costs to the consumer, instead of "ironing out every imperfection."

So, what can be done? How can Mississippians - who benefit from the system but still distrust it - come to understand how it gives them a standard of living unmatched in the history of man?

The Mississippi Economic Council, the state chamber of commerce, is accepting that challenge. MEC has launched a program entitled "Understanding Free Enterprise."

The program seeks to educate those who benefit from free enterprise, yet do not understand its working mechanisms. The information supplied students at participating schools and employees at participating businesses places the complex matter of economics into a readable, enlightening, and enjoyable form. The subject is divided into six areas: free enterprise, profits, productivity, competition, fringe benefits, and the role of government.

Those who have the benefit of this program will learn quickly why MEC calls our free enterprise system "The Great American Green Machine."

would like to reassure you that your contributions are appreciated and highly valued. They will NOT be wasted. Have patience. They will be used by The Sea Coast Echo at a later date. Our publisher and our editor-in-chief have assured me of this, and I pass along this assurance to you. Thank you - each of you.

Joe Pilet

Opinion/Ellie Cuevas

## Farmers Market

This Saturday, history will be made in Hancock County. It will be the official opening of Hancock's Farmers Market at the Hancock County Fair Grounds.

Many members of the Hancock County Chamber of Commerce, the Hancock County Farm Bureau, the Hancock County Extension Service and the Mississippi Department of Agriculture should be commended for a job well done. There are many others to be commended, the person who thought of the idea, and down the line, but we won't mention names as we might miss someone.

For this market the Fair and Livestock Association of Hancock County are providing the grounds and facilities.

A lot of us folk who live on the Coastal part of our County don't realize the importance of farming in Hancock County rural areas.

Each year millions of dollars of farm products are sold by Hancock County farmers. Products include soybeans, milk and dairy products, beef, sheep, hogs, and watermelons, just to mention a few.

Our County Agent's office says that opening day shoppers can expect home grown products such as sweet corn, new potatoes, small melons, okra, squash and other produce. Some items are not quite ready to harvest and they will be available in the weeks to come.

One of the things we need to enable our County to move forward is unity between all our residents. The Farmers Market is a step in that direction. What we now need is for all of us to support the Farmer's Market.

Saturday, while you are out for a drive, stop by the County Fair Grounds and visit the Farmer's Market. You, yourself, can see what the farmers can grow right here in Hancock County, with more to come.

For those of you who don't know where the Fair Grounds are located, just travel down Highway 90 to Waveland and you'll see the Fairgrounds sign on the road at the side of Stuckey's.

Farmers are a little earlier risers than us city folks, so come early. They will open at 7 a.m. Opening ceremonies will be conducted at 10 a.m. with Mississippi Commissioner of Agriculture, Jim Buck Ross, scheduled as keynote speaker. Many local elected officials, business and civic leaders, as well as sponsoring organizations members will be on hand for the opening ceremonies. We are also told that music and food concessions will be on hand for the ceremony.

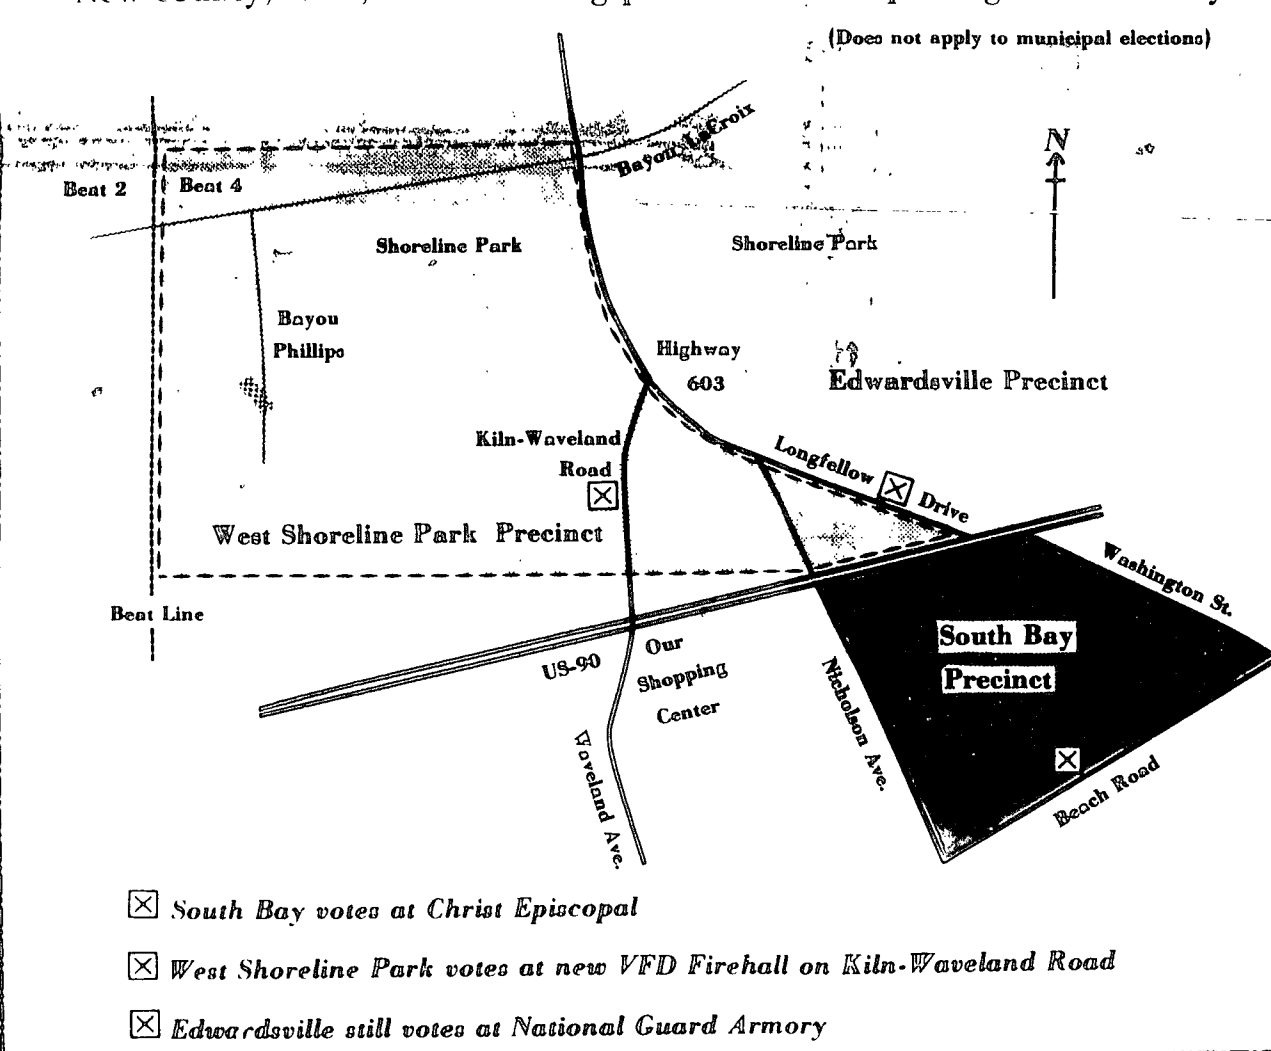

The Hancock County Farmers Market is scheduled to be open each Wednesday and Saturday at 7 a.m. during the summer months.

See you at the Farmer's Market!

## Farmers

cessions will be on hand for the ceremony.

Chamber Manager, Captain Max Berns, stated that preparations have been underway for several months for this combined effort of coastal and inland Hancock County people and agencies. "The Farmers Market is strong evidence of reunion between

(Continued from Page 1)

farmers and businessmen in Hancock County," he said.

The Hancock County Farmers Market will be open at 7 a.m. each Wednesday and Saturday for the summer months.

The Fair and Livestock Association are providing grounds and facilities.

## South Bay

Kiln-Waveland Cutoff Road.

All situations for the Edwardsville Precinct, which votes the National Guard Armory, remain unchanged.

All voters living in the newly created precinct, West Shoreline Park, must reregister at the courthouse with the Circuit Clerk and Registrar of Voters, Henry L. Otis.

Otis said Monday that his office is now in the process of compiling a completely new set of poll books and all voters living in West Shoreline must register in their new precinct.

He said that any voter unsure of his precinct or registration status should contact him at 467-5285 during office hours.

"The other reason the supervisors decided to half this precinct was to cut down on the number of registered voters in South Bay, permitting a more

(Continued from Page 1)

rapid tally of votes following an election," Otis explained.

The size of the South Bay box has resulted in tally problems following the last big elections with returns presenting a considerable problem to precinct workers.

Otis asked voters living in the new West Shoreline Park precinct to register "... as soon as possible..." to permit his staff to bring the poll books up to date in the shortest possible time.

Beat 4 Supervisor Sam Pernicaro is having a sign painted for display at the new voting center, a sign that will provide information concerning both the precinct's identity and location of the polling booth.

It was emphasized the precinct boundaries apply to county, state, and federal election issues only and not to municipal elections.

## NASA-ERL

deputy manager-programs of NSTL, relieving Henry Auter, current deputy manager of that duty. Auter will continue as deputy manager, NSTL, for all functions except programs.

Prior to the announcement, ERL was under the direct charge of the Johnson Space Flight Center, Houston, Texas. Previously housed at NSTL it was relocated to Slidell in a move made necessary by the arrival of the Navy's oceanographic sections.

The Slidell complex and the Michoud Assembly Facility, New Orleans, are under the direct charge of the Marshall Space Flight Center in Huntsville, Ala.

Ray Esteas, NSTL Technology Applications, will head-up the ERL training program, an operation to span 17 states.

Encompassing all of Mississippi, Alabama, and Louisiana, the area also includes the states of: Georgia, Florida, North and South Carolina, Tennessee, Kentucky, Arkansas, Texas, Oklahoma, New Mexico, Kansas, Missouri, Nebraska, and Iowa.

NSTL will be one of three designated centers for the dispensing of remotely sensed data and training of users in its employment.

Goddard Space Flight Center, Greenbelt, Maryland, will have the responsibility for the northeastern states, while Ames Research Center, Mountain View (near San Francisco), California, will operate the western states' program. Both are NASA installations.

Hlass said the combining of ERL programs with the applications and technology transfer activities already

(Continued from Page 1)

functioning at NSTL will result in a considerable strengthening of NASA's overall space applications efforts in this area.

"NSTL's future is "...a lot more secure than ever before..." Hlass said.

Asked if the ERL's entry into the field of public education would conflict with, or duplicate the functions of the Earth Resources Observations Systems Office of the United States Geological Survey (EROS-USGS), Department of Interior, also at NSTL, Hlass said that such would not be the case as both would complement the other.

"EROS sells (remotely sensed imagery) photographs and helps with their interpretation," Hlass said, again emphasizing that ERL's mission is in data research and use training.

"ERL's focus will be on applying and utilizing space technology toward the solution of man's problems on earth.

Reassignment of ERL to NSTL will join together complementary activities, preclude duplication of effort, achieve more efficient use of manpower and other resources creating a more effective overall program, Hlass explained.

Hlass, who succeeded Jackson M. Balch as NSTL manager upon Balch's retirement last summer, said that with the realignment ERL becomes an integral part of NSTL.

He said that those persons in ERL involved with the actual public information function would transfer from Slidell to NSTL upon completion of the educational building this summer. The building is to contain classrooms and supportive facilities.

(Continued from Page 1)

Thomas to appear.

He said that what hurts most is that it is the first time the association failed to live up to promises made its many supporters.

"The funds from this benefit were earmarked for the purchase and installation of a radio repeater to permit communication between all units of the various fire departments across out county.

"The radio repeater system would have helped all the people of this county by overcoming the "dead spots" in reception now being experienced," Friloux allowed.

Friloux said efforts to reach either or both of the two performers on both Saturday night and Sunday failed but that a group from the association had formed to investigate the matter.

"Our designated publicity officer, Herbert J. Marsh, chief, East Hancock County Volunteer Fire Department, will be issuing a statement to the press explaining the matter in some detail when the full facts are known," Friloux concluded.

Friloux is chief of the Diamondhead Fire Department.

(Continued from Page 1)

manager in Bay St. Louis, Perry Gibson, said his repair crews were also working all night to repair the system following its receiving what he termed as "...routine storm damage."

"We had no major feeders out although we experienced scattered trouble as the result of transformer and line fuses popping due to tree limbs falling across the power lines.

"Isolated sections of the system were out for various periods of time but restoration was made as fast as crews could replace the blown fuses.

"Nothing major...just normal storm damage," Gibson concluded.

(Continued from Page 1)

ditions and repairs for a total of \$21,560. For the year, Waveland has \$462,773 in dollar value of permits as compared to \$1,079,662 in 1976.

Pass Christian recorded eight residential permits for \$290,196 and four for alterations, additions and repairs valued at \$5,800. On the year Pass stands at \$832,680 as compared to \$739,312 a year ago.

None of the cities reported any permits for commercial permits and no building permit data was available from Hancock County as a whole.

(Continued from Page 1)

promptly terminate all promotional, marketing and sales programs and operations of all types in any manner related to generation of memberships.

"Accordingly, management instructions are being issued on this date to Mr. Al Walker to immediately initiate and continuously carry out any and all actions necessary, required or convenient to completely implement the above stated Board decision and give full effect to all that is herein set forth."

(Continued from Page 1)

and let the new officials act on the matters. Kidd responded by noted a deadline was involved (June 7th) and he felt they should proceed with the filing for grants. Bennett followed with a recommendation that the city proceed with the plans to acquire the grant for the overpass. Carver said since the grants would not cost the city any money he would agree they should seek both projects.

## Family resort

increasing the value of the land and lending themselves to future planning.

The letter, issued by Harley L. Sims, president, White Cypress Lakes Resort Club, and vice president, L & A Contracting Company, said in part, "...It is contemplated that arrangements shall be made forthwith to cease as expeditiously as circumstances reasonably permit all physical development activities currently in progress, with no further expenditures to be made looking toward future developments of such nature, and to

## Council

Veterans Auxiliary and he felt the city should recognize her accomplishment with a certificate of appreciation. The matter was unanimously approved by the council.

Kidd recommended the city pursue grants for an overpass for pedestrians on Highway 90 and also for a marina. Mayor Warren Carver said since the city was so close to a new administration, he felt they should wait

## Senior Citizens Happenings

### MEXICO!!

Thirty-seven senior citizens left Bay St. Louis early Monday morning the 23rd and went straight through to San Antonio as the first stop on their trip to Monterey, Mexico.

Seniors toured the Alamo, Sunken Gardens, Bronckenkridge Park, Birdshorn Salon and Bar of the Lone Star Brewery. The evening of the 24th was a tour of the famous River Walk on the San Antonio River and the site of the Hemisfair. All enjoyed boat rides up and down the River.

Wednesday the tour left San Antonio for Monterey, Mexico where they spent two days. They visited Horsetail Falls and various other points of interest. Many Senior Citizens rode donkeys and buggies up the mountain to see the Falls.

Friday morning they were off on a motor trip to Houston, and the final leg of the journey back to Bay St. Louis. Jim Hoda, Recreation Director, was the tour leader and all voted him a special thanks and heartfelt gratitude for taking them on this trip. Everything went well, all returned home safely. Fred Horn, Asst. Recreation Director, was at the Center waiting for their arrival with music playing. We are indeed happy to have them back among us and are interested in seeing all the pictures.

### SC MONTH

The Hancock County Senior Citizens closed out the national observance of Senior Citizens Month with a bang Tuesday. There were more than 125 seniors at the luncheon at the Center which was served by the Nutrition Dept. Site Manager, Margaret Keen and her volunteers. After the invocation by Rev. Powell of Pearlinton, Fred Horn led the singing of the National Anthem. At 1:30 the Seniors reassembled at the Main St. Methodist Church where they enjoyed hearing the Moran Gospel Singers from Lakeshore. A very lively program, including audience participation, followed. The ladies from the church provided refreshments following the program in the Fellowship Hall. A good ending to a good month!

Orchids to Rev. Oliver and the members of the Main St. Methodist Church for their hospitality.

### News in brief

#### ART DISPLAY

The seascape works of Bay St. Louis artist Norine Stamm will be on display 9 a.m. to 5 p.m., Monday through Friday, and 9 a.m. to 12 noon on Saturdays, through the month of June, at the Waveland Public Library on Coleman Avenue. Ms. Stamm has studied at the Art Institute in Chicago, Gulf Park, and the Newcomb School of Art. Her works are among the permanent collection of the Mobile Art Museum and are present in many private collections throughout the country.

## BW Garden Club to host workshop

BY ALICE B. HOLMES  
BWGC PUBLICITY  
CHAIRMAN

Mrs. John Brooks of Ocean Springs, director of the Spanish Trail District of the Garden Clubs of Mississippi, Inc., announced that the summer workshop will be held June 7 at the American Legion Hall in Waveland. Registration will begin at 9 a.m. and the business session will start at 9:30. At noon the delegates will gather at Buccaneer Park for luncheon followed by a tour of the Nature Trail led by Mrs. Horatio B. Weston.

The Bay-Waveland Garden Club will be the hostess club and Mrs. Herman Mazarakis, president, has appointed Mrs. Clarence Evans general chairman for the event. Serving on her committee are Mrs. John Newkirk, Mrs. Jan Brameyer, Mrs. Edward Brennan, Mrs. Lelyn Nybo and Mrs. John Holmes.

There are 273 federated Garden Clubs in Mississippi with a membership of over

### News in brief

**DINNER**  
A chicken dinner for the benefit of First Missionary Baptist church will be held Saturday June 4, from 9 a.m. to 4 p.m. at the church, corner Third and Sycamore Streets. Donation will be \$1.75 per plate. Take out orders and deliveries will be available by calling Mrs. Willie Mae Terrell at 467-5805.

**HUMANE SOCIETY**  
Bay-Waveland Humane Society, Inc., will meet at 7:30 p.m. Wednesday, June 8, in Gulf National Bank's Civic Room, Highway 90, Bay St. Louis.

**AL AUXILIARY**  
A committee meeting of American Legion Ladies Auxiliary, Unit 139, will be held Monday, June 6, at 7 p.m. in the home of Mrs. Hattie Bernond to nominate officers for the coming year.

On June 7

Bourgeois**  
Candidate  
**Councilman**  
**At Large**

DEAR VOTERS:

The future of our city is now!

Your votes on the 7th of June will determine the future of Bay St. Louis with its new Mayor-Council form of government. A vote for the best qualified candidates to represent you and the community will result in positive actions to improve the overall conditions existing at this time and promote the well-being of our present and future citizens.

I do not profess to "know" all the answers, nor do I make any "wild" promises, but I do promise, as an experienced administrator, to bring honesty, dedication, dignity, leadership and hard work to this most important office. The Councilman at Large, under the law, is the person who becomes mayor during any prolonged absence or disability of the mayor - and functions as your mayor until the duly elected mayor returns to office.

Those of you who desire or need transportation, please call 467-7792 and transportation will be arranged.

I humbly ask for your support and all-important votes on June 7th.

**Randolph C. Bourgeois**

**Candidate Councilman at Large**

Sincerely,

(Pd. Pol. Adv.)

**Harville Outdoors**  
BY DONALD HARVILL

I am the new outdoor writer for the Sea Coast Echo. In my column I will try to give you the run-down on local fishing and hunting conditions as well as information on other topics that are of interest to the sportsmen in this area. In order to make this column work I would like to ask for your cooperation in providing me with material of interest. Although I may not be able to use all of the information that is submitted to me, I will try to use as much as possible. You can contact me at 467-4734.

Overall, the water conditions are improving. Most all of the area bayous are clear, but they are becoming over-run by water moss and weeds, like they do every year about this time. The weeds will remain through the summer, giving fishermen headaches when they try to cast along the shore.

The two main rivers in our area, the Jourdan and the Pearl are still partially muddy, but they are improving. Their tributaries are mostly clear.

Fresh-water fish are still being caught in fair numbers, mostly perch. But with hot weather on its way, fresh-water fishing should start to cool down a clear.

Fresh-water fish are still being caught in fair numbers, mostly perch. But with hot weather on its way, fresh-water fishing should start to cool down a bit.

About the best news in the line of fishing is that the speckled trout are starting to move in, in catchable numbers. There have been numerous reports of people catching specks out

front. But the best reports are coming from the Louisiana marshes.

A word of caution to all you fishermen, use extreme caution while handling catfish. If you've ever been stuck by one you know that it can be a very painful experience. You can save yourself a lot of pain and maybe a doctor bill just by using a little caution. I should know I've been stuck more than once.

ANSLEY: The water is good. Specks, reds, flounders, and croakers being caught around Heron Bay, Big Grassy Island, Redfish Bayou, Halfmoon Island and Polecat Bend. We have bait, ice, rental skiffs and other accessories for the fisherman. (Bobby Little, LaFrances Fishing Camp)

PEARLINGTON: The Pearl River is still muddy, but is improving. The bayous are in good shape. We need some good falling tides to help clear up the river. There are plenty of bream being caught on crickets and worms. The bass fishing has been poor. The fishing should improve in the next couple of weeks. (Roy Baxter, Pearl River Marina)

JOE'S BAYOU: The water is good. A few rat reds have been caught off of Grassy Point on dead shrimp. There are a few speckled trout showing up in the Jourdan River. We should have live bait available in about two weeks. Bass and perch are being caught up the river. (Mrs. Allie Cospelich)

Until next week, Happy Hooking!

## Post 77 gains first wins

The Waveland American Legion Post 77 Baseball Team opened their season on a winning note last weekend as they won two of three games against Houma at the latter's home field.

Coach Claude Yarborough's crew took the opening game, 5-4, and followed with a nightcap victory, 7-3. The doubleheader was played Saturday. In Sunday action, Houma bounced back for a win, 11-4.

In the opening game, Waveland brought home the victory behind the strong pitching of Jack Ulrich. The Pass Christian ace spun a two hitter, striking out 9, and did not allow an earned run in his seven innings on the mound.

At the plate, Myron Cook went 2 for 3, along with Donald Corr of St. Stanislaus. Cook provided the winning hit as he belted a solo homerun in the top of the 6th to break a 4-4 tie.

D. Spence took the loss.

Cook went to the mound in the second game and followed teammate Ulrich's performance with a 3 hitter on 10 strikeouts and only 1 earned run.

Waveland's batters backed Cook by scoring their 7 runs in the first three innings and then turning over the chores to their bench.

Ulrich and Cook were the power hitters as each blasted

homeruns with teammates on base. Ulrich connected for a 3 run homer in the 1st and Cook added a 2 run homer in the 2nd stanza. Henry Malley went 2 for 4, including a triple, and D. Corr had a perfect day at the plate with 2 for 2, including a double.

## Babe Ruth results

In Babe Ruth play Sunday night at Bay High Field, American Legion defeated Dixie Realty by a score of 11 to 8 and Coast Electric trounced Chazez Construction by the score of 12 to 3.

In the first game Kelly Gerroux, Kevin McCaleb, Kerry Gerroux, and Dennis Rhodes each collected two hits apiece and Kevin McCaleb pitched a four-hitter, striking out, as American Legion just got by Dixie Realty - 11 to 8.

Gary Sotak had two hits in a losing cause. Sotak was also the losing pitcher, getting late inning relief from Andrew Haas. Melvin Barnes and Kelly Gerroux each had a triple for American Legion.

In the second game Scott Cox pitched and Tommy Godwin and Mike Prendergast batted Coast Electric to any easy victory over Chazez Construction 12 to 3. Cox threw a 2-hitter, striking out 12 of 25 batters and walking only 4. Godwin and Prendergast

McCulla was charged with the loss.

In Sunday's contest, Houma came from behind in the bottom of the 4th with a 4 run rally to gain a win. Until that point, Waveland had tied the game 2-2 in the top of the 3rd

and went ahead by 4-2 in the 4th.

Charlie Wahl went 5 and a third, giving up 8 hits, and was charged with the loss. He was followed by Frank Henry and Kerry Corr who each pitched a third of an inning.

Cook and D. Corr were once again the leaders for Waveland at the plate. Cook was 3 for 3 and Corr had 2 for 3.

P. Fitch gained the win for Houma.

Coach Yarborough said he was pleased with the hitting of his team, after they had collected 25 hits in 3 games, but said they are going to have to shore up their defense. They were charged with 15 errors in the 3 games at Houma.

Waveland played a doubleheader Wednesday against Hattiesburg and entertain Biloxi here Friday night at 7 p.m. They will also play Jackson here Sunday, starting at 2 p.m.

Babe Ruth action resumes Thursday night at 6 p.m. with Dixie Realty meeting Chazez Construction for a single game.

## Rhodes honored by AAU

Joseph "Doc" Rhodes was notified May 18th by the Southern Association Amateur Athletic Union of the United States that he has been selected as the Outstanding Southern AAU Athlete in the sport of powerlifting for the year 1976.

L.B. Irish, president of Southern AAU, said "I would like to take this opportunity to congratulate you on behalf of the entire Southern AAU for your outstanding performance during the past year. The honor you have received is the highest your Sport's Committee can bestow upon one of its athletes. I know you must be proud of this recognition and I hope that it will help to inspire you to even greater accomplishments in the future."

It is with pleasure that we extend to you an invitation to be our guest at the Southern AAU Annual Sports Award Luncheon on Sunday, June 5, at the International American Motor Inn in Metairie."

## News in brief

**HUMANE SOCIETY**  
Bay-Waveland Humane Society, Inc., has a mixed Irish Setter and collie and a poodle in need of homes. Further information is available by calling 467-9494 or 467-9238.

SEA COAST ECHO-JUNE 5, 1977-31A

## UM RECEIVES

During April Ole Miss received more than \$300,000 in support of Educational and research programs from such agencies as the National Institute on Drug Abuse, U.S.

Office of Naval Research, The U.S. Department of Health, Education and Welfare, and the U.S. Energy Research and Development Administration.

## WE OFFER OUR FUNERAL SERVICE FOR NOTHING...

(to those who can't afford it)

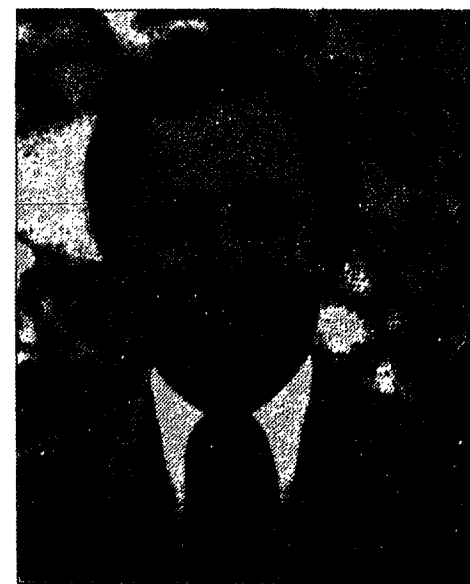

Through the years **RIEMANN FUNERAL HOMES** have been chosen by an ever-increasing number of families.

The reasons that we are selected are many, but they all add up to one thing: At **RIEMANN FUNERAL HOMES**, our people care about your immediate needs and, year after year, continue to improve and update the manner in which we completely meet those wishes, regardless of economic circumstances.

**Riemann-Fahey**

FUNERAL HOME  
BAY-WAVELAND

Thus far you have supported me in the Democratic Primaries, on June 7th I will need your continued support. The office which I seek is one of trust and responsibility. I am not seeking this position for personal gain, but for an opportunity to work with you the citizens of this City on all issues, we do not need out of state companies enjoying our tax dollar, this money can and will be kept in Bay St. Louis.

My opponent has suggested that because of his past experience that he is better qualified. I disagree. We are entering a New Era with a New Form of Government, therefore we need a Mayor who has no commitments but to you the people of this city.

I ask for your continued support, together we can build a better Bay St. Louis.

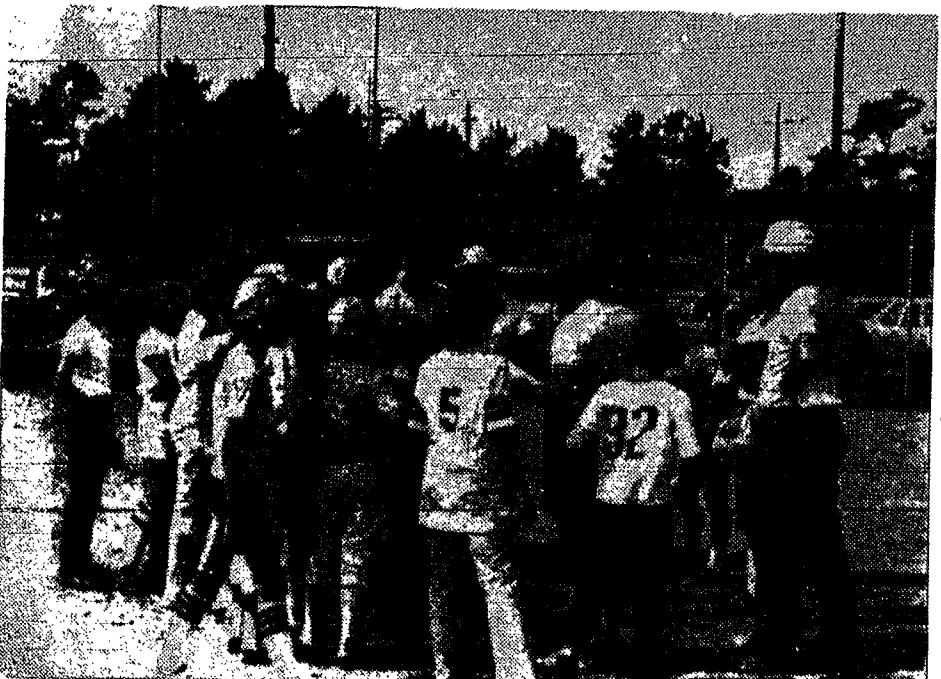

**Elect**  
**Larry Bennett**  
**Your Mayor**

(Pd. Pol. Adv.)

WINNERS AND RUNNER-UPS in the first annual Pitch, Hit and Run Contest last Saturday were (front row, l-r) nine year-olds-Shane Fielder, winner-131 points, Chris Robertson, runner-up-107; 10 year-olds-Craig Breland, winner-212, Scott Pavre, runner-up-151; (second row, l-r) 11 year-olds-Thomas Antoine, winner 220, David McIver, runner-up-213; 12 year-olds-Scott Adams, winner-334, Gus Aimes, runner-up-319; (third row, l-r) Jerry Seuzeneau, Recreation Department, Harold Carver, owner of Jerome's which sponsored the event, and Billy Rhodes, Recreation Department.  
(ECHO Photo by Jerry Whittle)

Rules explained

## Rocky Hill Downs

Ronnie Hirdes, astride three winners in the last three races, emerged top jockey on Sunday in the eleven race meet at Rocky Hill Downs.

Hirdes registered eight wins and two second places in total jockey points for a busy afternoon. He did not ride in the second race.

Next in line for riding honors was Bruce Poyadau with three wins and four second slots.

The featured eleventh race of the afternoon, saw three horses leave the gate in a 400 yard bid to cross under the wire ahead of their competition.

From Gate One came Old Roan, Owner, Donis Thompson, Trainer, Dennis King, ridden by Poyadau; Gate Two, spawned Deck Super, Owned by Errol Cronin, Trained by Donald Moran, ridden by Speedy Barrett; and from gate three raced Boss Injun, Owned and Trained by Richard Graham, ridden by Ronnie Hirdes.

At the finish it was Boss Injun, Deck Super, and Old Roan, for one, two, and three, respectively.

The First Race, 330 yards, was captured by Quadro's Luck, O & T-John Paul Amacker, J-Hirdes, followed by Allison's Majic, O & T-C.J. Hoda, J-Mark Swilley; the Second Race, half mile, was won by Joe Rigadoon, O-Don Goss, T-Randy Ladner, J-Poyadau; followed by Belford Flash, O & T Raymond Evehardt, J-Mark Swilley; Third Race, 330 yards, first, little Joe, O-Joe Prine, T-Reo

In 1978, American dairy cows produced enough milk to form a river that would measure 2,904 miles long, 41 feet wide and three-and-a-half feet deep. It would stretch from Boston to San Francisco. If put in gallon cartons and placed side by side, the 120 billion pounds of milk produced would form a band around the world 85 times at the equator.

**VOTE TUESDAY**  
**JUNE 7th**

Burns, J-Hirdes, second, Toby's Topper, O & T-Billy Wayne Ladner, J-Poyadau; Fourth Race, 350 yards, 1-Leo Beacon, O & T Herbert Black, J-Hirdes, 2-Angle's Baby Dee Dee, O & T Richard Shows, J-Poyadau; Fifth Race, 330 yards, 1-Surprise, O-Donis Thompson, T-D.King, J-Hirdes, 2-Bertha Butt, O & T W. Peoples, J-I. Ambeau.

Sixth Race, 440 yards, was won handsomely by Sassy Grandy, O-Gary Gibson, T-James Watson, J-Poyadau, with Q Bar in second place, O & T Chas. Easterling, J-Hirdes; Seventh Race, 250 yards, 1-Little Knot, O-Bert Steven, T-Gene Roubion, J-Hirdes; 2-Run Boy, O & T Darryl Ballard, J-Kendall LaCosta; Eighth Race, 400 yards, 1-Mike, O-Judy Watson, T-James Watson, J-Poyadau, 2-Patti's Heart, O-Mike Munni, T-Freddy Welch, J-Hirdes.

Ninth Race, 300 yards, was won by Easy, O & T Chas Easterling, J-Hirdes, 2-Susie, O-Leo Swilley, T-Roger Ladner, J-Poyadau, 3-Keith Adam, O-Cecil Barrett, T-C. Easton, J-Speedy Barrett; Tenth Race, 440 yards, 1-Ole Black Magic, O-Donis Thompson, T-Dennis King, J-Hirdes, 2-Horne Made Love, O & T Oswald Moran, J-Poyadau.

At the finish it was Boss Injun, Deck Super, and Old Roan, for one, two, and three, respectively.

The First Race, 330 yards, was captured by Quadro's Luck, O & T-John Paul Amacker, J-Hirdes, followed by Allison's Majic, O & T-C.J. Hoda, J-Mark Swilley; the Second Race, half mile, was won by Joe Rigadoon, O-Don Goss, T-Randy Ladner, J-Poyadau; followed by Belford Flash, O & T Raymond Evehardt, J-Mark Swilley; Third Race, 330 yards, first, little Joe, O-Joe Prine, T-Reo

**NOTICE TO ALL VOTERS REGISTERED IN SOUTH BAY PRECINCT, ONLY**  
The Hancock County Board of Supervisors recently divided the South Bay Precinct so as to make Highway 90 the boundary between the South Bay Precinct and the newly-formed West Shoreline Park Precinct.

All persons now registered in South Bay Precinct who live north of Highway 90 must come in to my office in the Courthouse to change over to the new precinct. (This does not apply to those living east of Highway 603 who vote at the Armory, it only applies to those who vote now at the Episcopal School.)

The reasons for this change are, (1), the new voting precinct will be located on the "Cutoff Road" between Highways 90 and 603, so that voters will not have to go all the way to the Episcopal School on the beach to vote; and, (2), to reduce the number of voters in the South Bay Precinct, thereby expediting voting and tallying there.

This only applies to voters now registered in the South Bay Precinct, but it is urgent that all of these residing north of Highway 90 take care of this matter promptly. The sooner that this is done, the sooner my staff can bring the poll books of these precincts up to date, and your cooperation will be greatly appreciated.

## awards

### night at HNC

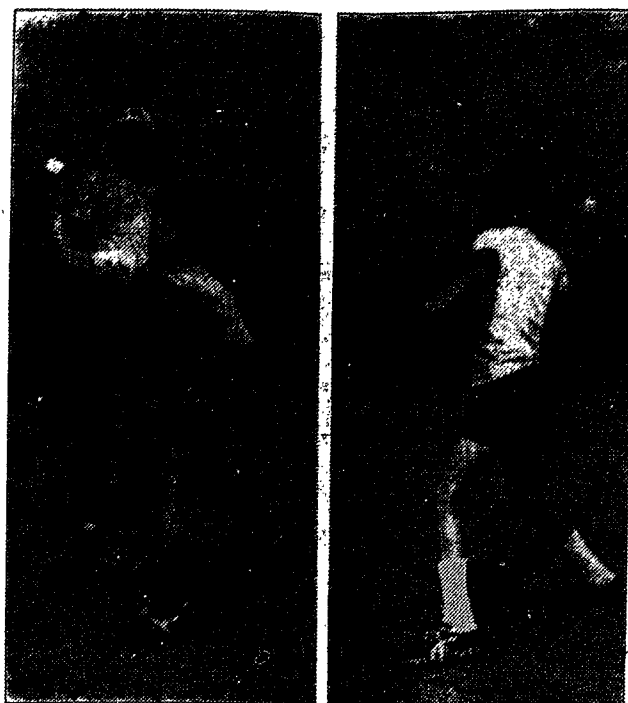

Vickie Necaise of Hancock North Central High School won the John Philip Sousa Award for 1977 at the Hawk Band awards ceremony last month, an event followed by a band concert.

Under direction of Danny Howard, the band is looking forward to winning major honors in the 1977-'78 season. This year the group performed at the State Band Concert in Jackson and travelled to Disney World in Orlando for its field trip.

Most Outstanding Bandsman of the year honors went to Melonie Lee and Most Improved Bandsman to Joe Fry.

The Most Improved Section award was captured by the trombones and flutes, consisting of: trombones-Roland Lee, Mike Lee, and Alan Spe ice; flutes- Daphne Gustine, Maria Halerline, Dale Ladelle, and Collen Seal.

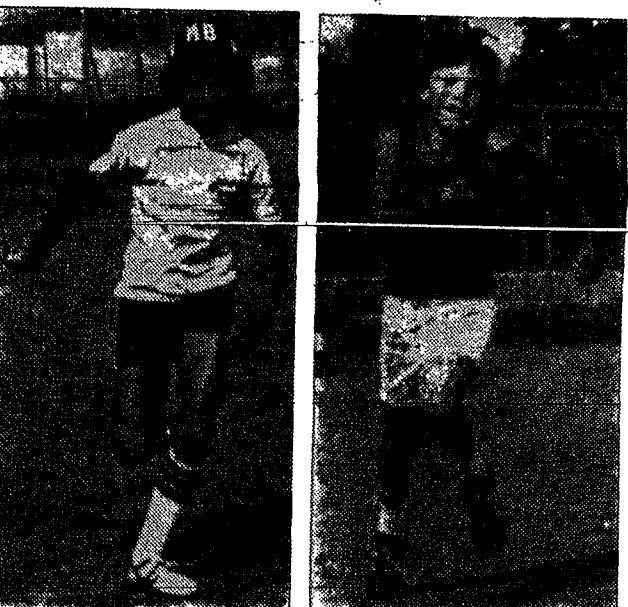

Outstanding performance awards also went to: Dolly Rester, drum major; Gerry Lee, flag captain; Penny Williamson, rifle captain; Fred White, student conductor.

# The Sea Coast Echo

1B-SEA COAST ECHO-JUNE 2, 1977

**PALS** - Roscoe the Clown and Tony the chimpanzee share a tender moment between performances of the Stebbing Royal European Circus. The circus comes to Hancock County on Friday, June 3 with performances at 6:00 and 8:30 p.m. This year's circus is sponsored by the Hancock County Fair and Livestock Assn. to raise funds for youth fair activities and facilities. Advance tickets may be purchased at a substantial savings from members of the sponsoring organization. Ticket prices in advance are: Adults \$2.00, Children \$1.50 and the special Family Ticket, 2 Adults and 2 Children \$5.00.

**AERIAL STAR** - Beginning the revolving neck spin, the most difficult feat of aerial artistry, Princess Tiana spins at breakneck speed from the top of the circus tent to the ring floor. She's featured aerialist with the Stebbing Royal European Circus. The circus will appear in Hancock County on Friday, June 3, with her performances scheduled at 6:00 and 8:30 p.m. The red and white striped big top will be set up at the Hancock County Fair and Livestock Association grounds. This year's circus visit is sponsored by the fair association to raise funds for the youth fair.

**SIMILAN COMEDIANS** - The Jonh Stebbing Chimpanzees, the circus world's most televised chimp act, will appear with the Stebbing Royal European Circus when it performs at The Hancock County Fairgrounds under the big top on Friday, June 3 at 6:00 and 8:30 p.m. The circus is sponsored by the Hancock County Fair and Livestock Association to raise funds for the youth fair. Advance discount tickets are available at substantial savings. Ticket prices in advance are: adults, \$2; children, \$1.50 and the special family ticket, two adults and two children, \$5.

## Royal European Circus coming to Fairgrounds

The world famous Stebbing Royal European Circus will perform for the benefit of The Hancock County Fair and Livestock Association with two performances scheduled on Friday, June 3 at 6:00 and 8:30 p.m. The red and white striped big top will be erected at the Hancock County Fairgrounds. The circus will arrive on Thursday and the public is invited to watch the animals being unloaded, see the big top go up and other circus preparations. The animals will be on exhibition Thursday and for several hours on Friday before the performance.

The circus includes wild animals such as: the only Royal Bengal tigers ever born in captivity to survive, African Lions, America's most televised performing chimpanzees, the circus world's most unique elephant act, monkeys, Ethiopian pony riding baboons and a baby leopard.

This is the last family owned circus left anywhere in the world. The Stebbings trace their circus ancestry to the 17th century and are probably the oldest circus family in the world. Owner Bill Stebbing has traced his ancestry back to 1636, a time when circus was little more than a roving band of clowns and performers who would pass the hat in castle courtyards and village markets.

History records the first organized circus as Sir Philip Ashley's Amphitheatre on the outskirts of London, England in 1721. There were Stebbings in that first performance and the show looked very much like the Stebbing Circus of today...except for some modern technical improvements. It is the only Royal European Circus in North America today. Three generations of Stebbings are represented on the show. It is the only circus to have ever given two consecutive command performances before Queen Elizabeth II. The current band of Stebbings have given nine command performances before royalty and are legally entitled to use the word "Royal" by appointment of the Royal House.

This is the only family in the world performing in its own circus. They bring a lifetime of professional expertise and intense pride in their work into the ring with them, an expertise and pride unequalled in

any other circus, to the delight of American audiences for two decades.

White Tops, the circus magazine, has called The Stebbing Royal European Circus "the giant of the one ring circuses." It is presented in the classic European tradition of circus as a performing art. Presented one at a time each act is of center ring quality. There are no inferior paddings or extraneous distractions to impede the audience's enjoyment of the artists in the ring.

Featured aerialist with the circus is pretty young Carol Stebbing. She is considered this generation's most proficient aerial artist, acclaimed by the circus world and audiences as one of the decade's brightest stars. Working from the trapeze and Spanish Web a highlight of her act is the revolving neck spin, most difficult feat in aerial artistry. Hanging by the neck she spins at breakneck speed from the roof of the big top to the arena floor, fifty feet below.

The John Stebbing Chimpanzees are America's finest and funniest chimp act. They are the circus world's most televised act with multiple appearances on 28 network TV variety shows to their credit, including Johnny Carson, Steve Allen, Merv Griffin, Mike Douglas, Ed Sullivan, Red Skelton, Jack Benny, Jerry Lewis, Hollywood Palace, International Show Time and many others. This January during race week at Daytona Beach they performed before a national convention of bankers. During their stay at the Daytona Sheraton Miss "Roll" gave birth to a baby chimp marking the first time a chimpanzee has ever been born in an American circus. It also marked the first time a chimp had ever been born in a Sheraton Hotel.

Two years ago a trio of Royal Bengal Tigers were born on the circus while playing New York City, the first born in captivity to survive. They are now joined by a baby leopard, a wedding present to their trainer, Carol Stebbing who recently married Ringmaster Dennis Cosby. The ceremony took place under the big top, another family tradition.

Karl's Poodles have been called the finest dressed dog act in show business by critics. A dozen canine comedians dressed in beautiful costumes walk on two feet impersonating a variety of humans with hilarious results. They appear as astronauts, cowboys and Indians, dance hall girls and others in a variety of pageants including a fashion show, patriotic skit featuring Uncle Sam and a gala wedding of the poodles. A show stopping act

throughout, nothing can compare with the moment when the bride and groom kiss and go into their wedding dance. It's an absolute favorite with children of all ages. During the winter, trainer Karl Linares operates one of Florida's leading kennels in Sarasota.

Barry Sloan impersonates a thirty foot tall Uncle Sam, one of the world's most familiar circus acts. Spectacular and classy Barry, Barry is the world champion and recorded as such in the Guinness Book of World Records.

Baby Lou and Holly present the circus world's most unique elephant act. Circus fans hall them as the finest elephant act in any circus today. Four year old Miss Holly presents four year old Baby Lou, the world's youngest performing elephant and world's youngest elephant girl. They present a complete adult elephant routine. The petite pachyderm does eighteen separate tricks including walking a narrow balance beam upon which he dances, changes direction, stands on his head and much more. At the recent opening 'this year of the new million dollar Ringling Museum of the Circus in Sarasota Baby Lou and Holly were the only non Ringling Brothers act invited to participate. The Stebbing circus is the only circus left which winters in Sarasota.

The Stebbing aerial ballet, pony drill, Mardi Gras Novelties production number, trampolines, acrobats, jugglers, tumblers, baboons, monkeys and more complete the big show. The Stebbing Royal European Circus "clowns in the ring" act features artists and not just "walkarounds."

Advance discount tickets are available at substantial savings at Chamber of Commerce office; Farm Bureau Office - Kila; Hancock Bank, Hwy. 90 Branch; Coast Electric Power Association;

Louis Breaux, President (255-7281); Ethel Breaux, Treasurer, 467-7117. Ticket prices in advance are: adults,

\$2, children, \$1.50 and the special family ticket, two adults and two children, \$5. There is no additional

charge for seating once inside the tent and there are no games or other carnival type attractions with the circus.

**A PAIR OF GIANTS AT FAIRGROUNDS** - Barry Sloan, world champion stilt walker, appears as a giant Uncle Sam before the unique European entrance of The Stebbing Royal European Circus, called "the giant of the one ring circuses," according to White Tops Circus Magazine. The circus will perform for the benefit of the Hancock County Fair and Livestock Association with two shows scheduled on Friday, June 3 at 6:00 and 8:30 p.m. The red and white striped big top will be erected at the fair grounds.

### McCutchon

named to  
UW post

E. Davis McCutchon of Pass Christian has been selected to serve as chairman of the 1977 Public Information Committee of United Way, according to Leonard A. Collins, general county campaign chairman.

McCutchon, a retired advertising executive of D.H. Holmes Co. of New Orleans, is past president of the board of directors of United Way and has served as associate county chairman and group activities. He also served as public information chairman in 1974.

Other members of McCutchon's committee will include: John McFarland, public relations director of Gulf Publishing Co.; Ray Williams, program director of WLOX Broadcasting Co.; Wayne Tisdale, publisher of the Gulfport Star-Journal; Ben Suddeth, news director of radio station WROA, and Tom Bourdin, advertising manager of Hancock Bank.

The committee is responsible for the planning and coordination of all United Way information and participating member agencies.

### Baptized

Joshua William Vrazel, infant son of Mr. and Mrs. William Vrazel of Pass Christian, was baptized Sunday, May 22, at St. Stephen's Catholic Church, DeLisle, with Rev. Abram Dono, pastor, officiating.

Godparents are Mr. and Mrs. Gerald Vrazel of Mobile, Ala.

Following the ceremony a reception was held at the Vrazel home. Attending were the grandparents Mr. and Mrs. William Fennarn and daughters Mary, Julie and Odile and sons Andrew and Timmy, Mr. and Mrs. Raymond Vrazel and daughters Regina and Mary Beth, all of Mobile; great-grandparents Mr. and Mrs. Frank Larosa, Bay St. Louis, Mr. and Mrs. Charles Niolet, Pass Christian, Gary Bascue and Vincent Tallon, Diamondhead.

Dairying is the only form of agriculture found in each of the 50 states.

CD is making  
county nuclear

shelter survey

A shelter survey is being conducted by units of the National Civil Defense Agency's office of Civil Preparedness, to determine what suitable structures exist in Hancock County that could be made available to persons from areas of greater risk during a period of international tension or crisis. Under the general supervision of the US Army Corps of Engineers, the eight team members assigned to Hancock County are among several hundred students hired to undertake the survey during the summer months. Local team leader will be John Griffin. The survey has been coordinated and approved by the Mississippi Civil Defense Council and the Hancock Civil Defense Council. A session was staged between CD and local officials late last month to explain the workings of both the shelter survey and nuclear civil protection planning programs.

**Church fair set for June 17-19th**

Plans for St. Ann and St. John's annual church fair to be held Friday, Saturday and Sunday, June 17, 18 and 19, on St. Ann's church grounds,

Lower Bay Road, Clermont Harbor, are nearing completion, according to fair chairman.

This year's feature will be a trip for two to San Francisco. The first activity for the three day event will be a seafood dinner in parish hall Friday, June 17, starting at 5 p.m. Donation will be \$2.50 per plate and take out orders will be available. Everyone is invited.

Fair chairmen are Mr. and Mrs. Gerard Boos, Mr. and Mrs. John Everard, Mrs. Linda Curet and Mark Blackledge.

**Post 139 has memorial services**

American Legion Post 139 held memorial service at 10 a.m. Monday at the graveside of Clement R. Bontemps in St. Mary's cemetery.

J. H. Benvenuti, Post chaplain, read the memorial prayer and a floral wreath was placed on the grave by Miss Karen Thompson. Members of Ladies' Auxiliary Unit 139, attended the service.

**St. Ann's**

**DINNER**  
St. Ann and St. John's parish fair committee announced a seafood dinner will be held Friday, June 17, in parish hall immediately following St. Ann's 5 p.m. Mass. Donation will be \$2.50 per person. Take out orders will be available. The public is invited.

**MEETING**  
St. Ann's Altar Society will hold its monthly meeting at 7:30 p.m. Tuesday, June 7, in Parish Hall. All members are asked to attend.

**MASS**  
St. Ann's Altar Society Mass will be at 5 p.m., Saturday, June 11.

**In service**

Private Larry W. Bowman, son of Mrs. Evelyn Y. Moncus, 909 39th Ave., Gulfport, Miss., recently completed an eight-week turret maintenance course at the U.S. Army Armor School, Ft. Knox, Ky.

Pvt. Bowman entered the Army in October 1976. He completed his high school education through the General Educational Development program.

His father, James C. Bowman, lives on Route 1, Pass Christian.

Navy Machinist's Mate Fireman Apprentice Mark H. White, son of Mr. and Mrs. Frank L. White of 109 Suffolk Drive, Long Beach, recently returned from an extended deployment in the Western Pacific.

A 1976 graduate of Long Beach High School, he joined the Navy in August 1976.

Milk provides the least expensive complete protein on the market, because the cow is the most efficient machine, converting animal food to human food.

MEMBERS OF THE CLASS OF 1927 of St. Stanislaus who returned to the campus to celebrate the Golden Jubilee anniversary of their graduation. They are (seated l-r) Ambrose Burns, John Waters, and Anthony Brady; and (standing l-r) Albert Leonhard, Elmo Blaize, Foster Fournier and Alphonse Burke. These men were honored at the St. Stanislaus Commencement Exercises where they received a commemorative diploma of their own graduation in 1927.

SUNDAY AFTERNOON was the dedication ceremonies of the Edmond Fahey Funeral Home's John T. Jacobs Memorial Chapel. Dr. Gilbert Oliver, (L), Main Street United Methodist Church and Edmond Fahey, III are shown during ceremonies. Rev. Charles Johnson, Christ Episcopal Church also participated in the dedication ceremonies.

MRS. JOHN T. JACOBS stands by plaque just unveiled by her in honor of her late husband at the dedication Saturday of Edmond Fahey Funeral Home's Memorial Chapel. The plaque states: "John T. Jacob Memorial Chapel, dedicated in his honor for his devotion and service to the people of Hancock County."

**St. Clare SOL met**

Sodality of Our Lady of St. Clare's Parish, Waveland, met May 24 in parish hall; Rev. Msgr. John Scanlon, pastor St. Clare Church, offered the opening prayer and Mrs. Frank Schmiede, vice prefect, conducted the business session in the absence of Mrs. Eugene Dorman, prefect.

Reports were given by Mrs. Robert Mendow, recording secretary; Mrs. Leslie Galivan, corresponding secretary; and Mrs. Edward Canady, publicity. Mrs. Schmiede gave the treasurer's report in the absence of Mrs. Adrien Chagnard. Mrs. George Smith, new member, was introduced by Mrs. William Kielty, membership chairman.

Mrs. James Hubert, luncheon and social chairman, appointed Mrs. Anatole Louvier chairman for the June luncheon and social.

The names, released by university officials, are: Dean's List - Catherine Evans and Eleanor P. Gaudin.

8B-SEA COAST ECHO-JUNE 2, 1977

Over 6,000 years ago, milk had already become an important food as recorded in the world's earliest written records - found in the Sanskrit of Ancient India.

In spite of the quadrupling costs of labor, taxes and energy, equipment, etc., the real price of dairy products to the consumer is about one-half what it was 25 years ago.

## HANDY MONEY FOR YOUR CAR.

### Automobile accessories.

Feel like jazzing up your car a little? Handy Money can help a lot! Whether it's a new in-dash tape player, a set of tires, even a sun-roof, Hancock's the place to turn to.

## Legal notices

### STATE OF MISSISSIPPI COUNTY OF HANCOCK TRUSTEES NOTICE OF SALE

WHEREAS, on October 9, 1974, THOMAS E. COLBERT and wife, ELLEN C. COLBERT executed a certain deed of trust to Robert L. Lovelace, Jr., Trustee, for the purchase of certain land in the County of Hancock, State of Mississippi, which deed of trust is of record in the office of the Chancery Clerk of Hancock County, Mississippi, in Book 10, Page 66; and

WHEREAS, default having been made in the terms and conditions of said deed of trust and the entire debt secured thereby having been declared to be due and payable, the undersigned Trustee, in accordance with the terms of said deed of trust, has requested the undersigned Trustee to execute the trust and sell said land and property in accordance with the terms of said deed of trust for the purpose of raising the sums due thereunder, together with attorney's fees, trustee's fees and expenses of sale.

NOW, THEREFORE, I, Kent E. Lovelace, Jr., Trustee in said deed of trust, will on the 27th day of June, 1977, offer for sale at public outcry and sell within legal hours (being between the hours of 11:00 A.M. and 4:00 P.M.) at the front door of the County Court House of the County of Hancock, State of Mississippi, at Bay St. Louis, to the highest and best bidder for cash the following described property situated in the County of Hancock, State of Mississippi, to-wit:

Lot 11, Block 1, SPANISH ACRES ESTATES SUBDIVISION, a subdivision in and to Hancock County, Mississippi, according to the map or plat thereof in which is on file and of record in the office of the Chancery Clerk of Hancock County at Bay St. Louis, Mississippi, in Plat Book 3, at Page 31, thereof, reference to which is hereby made in aid of this description.

I will convey only such title as is vested in me as Trustee.  
WITNESS, my signature on this the 30th day of May, 1977.

Kent E. Lovelace, Jr., Trustee  
6-2-6-9-16-6-23-77

### STATE OF MISSISSIPPI CHANCERY SUMMONS NO. 13,497

TO the unknown heirs at law of Mrs. Joseph Charles Tremoulet also known as Dot Forrestal:

Any and all other persons having or claiming any right title or interest in the following described property: Two certain lots of ground situated in the Third Ward in the Town of Waveland, in Hancock County, State of Mississippi, in that part known as Waveland Park Subdivision, which lots are described by the numbers Twenty-Six (26) and Twenty-Seven (27) in Square Nine (9) bounded by Surf, Tide, Oak and Hickory Streets. Said lots adjoin each other and measure each lot Fifty (50) feet front on Surf Street by One Hundred (100) feet deep in depth. Lot Twenty-Six (26) commences 37.6 feet from the corner of Surf and Oak Streets. As per map or Waveland Park Subdivision recorded in Book D-6, Page 411 of the Deed Records of Hancock County, Mississippi.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on or before the 14th day of July, A.D. 1977 to defend the suit No. 13,497 in said Court of Olga A. Tremoulet, Et Al. This hearing is set for 10:00 A.M. on July 15, 1977, before the County Court House, Bay St. Louis, Miss. The same being a suit to place heirs in possession of said land above described wherein you are a defendant.

### PUBLIC NOTICE TO BID

TO ALL PERSONS INTERESTED IN THE FOLLOWING LANDS SITUATED IN HANCOCK COUNTY, MISSISSIPPI, TO-WIT:

A tract of land described as beginning at the Southeast corner of Section 22, Township 5 South, Range 14 West, Township 5 South, Range 14 West, Hancock County, Mississippi, and containing 0.83 acres.

Notice hereby is given that the Board of Supervisors of Hancock County, Mississippi, has authorized and invited the submission of bids to lease the oil, gas and other minerals in, on and under the above described lands for purposes of oil, gas and mineral exploration, mining and development. Formerly, said lands constituted in lieu of portions of 16th sections situated in Pearl River County, Mississippi.

The Board of Supervisors of Pearl River County, Mississippi, has prescribed the form of a proposed oil, gas and mineral lease, and the same shall be retained by the lessor, the annual rental to be paid by the lessee, the primary term of the proposed lease, and all other provisions of the proposed lease. The oil and gas subject to bid for the proposed lease is the amount of the bonus to be paid by the lessee. A true copy of the proposed lease form containing all the terms and provisions so prescribed by the Board of Supervisors is on file and available for inspection by any interested person in the office of the Chancery Clerk of Hancock County, Mississippi, on April 27, 1977.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the 2nd Monday of June, A.D. 1977, to defend the suit No. 13,454 in said Court of Mrs. Gladys F. Ferrara, wherein you are a defendant.

### STATE OF MISSISSIPPI COUNTY OF HANCOCK TRUSTEES NOTICE OF SALE

WHEREAS, on the 13th day of August, 1976, James W. Haynes and George Wayne Haynes executed a deed of trust to Robert L. Genin, Jr., Trustee, to secure an indebtedness therein mentioned to Cumberland Capital Corporation, which deed of trust is duly recorded in Book 155, pages 227-28, Records of Mortgages and Deeds of Trust on Land, Hancock County, Mississippi; and

WHEREAS, default having been made in the payment of said indebtedness, and the said Cumberland Capital Corporation, legal holder of said indebtedness, having requested the undersigned Trustee to foreclose on said deed of trust for the purpose of paying said indebtedness and costs;

NOW, THEREFORE, I will, on the 7th day of June, 1977, within legal hours, offer for sale and sell to the highest bidder cash at the front door of the Hancock County Court House in Bay St. Louis, Mississippi, the following described property located in Hancock County, Mississippi, described as follows, to-wit:

Lot 2, Block 2, CHARTERS DRIVE SUBDIVISION, Hancock County, Mississippi, as per the official plat thereof filed in the office of the Chancery Clerk of Hancock County, Mississippi, in Deed Book L-3, pages 178-79.

Notice hereby is given that the Board of Supervisors of Hancock County, Mississippi, has authorized and invited the submission of bids to lease an undivided one-half (1/2) interest in and to the oil, gas and other minerals in, on and under the above-described lands for purposes of oil, gas and mineral exploration, mining and development. Formerly, said lands constituted in lieu of portions of 16th sections situated in Lawrence County, Mississippi.

The Board of Supervisors of Lawrence County, Mississippi, has prescribed the form of a proposed oil, gas and mineral lease, and the same shall be retained by the lessor, the annual rental to be paid by the lessee, the primary term of the proposed lease, and all other provisions of the proposed lease. The oil and gas subject to bid for the proposed lease is the amount of the bonus to be paid by the lessee. A true copy of the proposed lease form containing all the terms and provisions so prescribed by the Board of Supervisors is on file and available for inspection by any interested person in the office of the Chancery Clerk of Hancock County, Mississippi, on April 27, 1977.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the 2nd Monday of June, A.D. 1977, to defend the suit No. 13,461 in said Court of Mrs. Gladys F. Ferrara, wherein you are a defendant.

### At Minacapelli's Cabaret Theatre

## Black Comedy will light up your face (even in the dark)

by JAKE JACOB

The folks at Minacapelli's Cabaret Dinner Theatre in Slidell, have a habit of running things one better each time, to the degree that when a show such as Black Comedy comes on stage the standard stock of reviewer's superlatives seems hardly to suffice.

Black Comedy is in two acts, which is just as well, as without a break for breathing the viewers strength is just not up to handling that many laughs at one time.

And then, when one realizes the end is near and briefly entertains the thought that to be able to cap the production with any finale of worth will likely prove impossible, the cast brings the audience to its feet in a screaming crescendo of applause even while exiting stage right in a Pickwickian kaleidoscope of theatrical expertise par excellence.

Two kinds of effort make a visit to Minacapelli's on Cousin Street, well worth while during the June run of Black Comedy.

One is the effort required to produce the cuisine so flawlessly, that to introduce one's pallet to the bill of fare is to realize that this alone is well worth the trip.

The second is, of course, the show itself.

Open every Friday and Saturday for dinner from 6:30 to 8 p.m., curtain time is 8:30 p.m., a time sufficiently far behind the last order for dishes to have been cleared away, the patrons to have suitably disposed themselves for best theatre viewing, and the liquid refreshment department to have organized orders for the intermission.

Prior to sticking a mess of fingers into the guitar strings to wish "Happy Birthday" where appropriate, Minacapelli has already proven his personal worth to the establishment in his manner of dispensing his wife's cooking. Working a mean set of implements his generosity and complete lack of business acumen come to

The USDA estimates that it would take \$190,000 worth of land, livestock, crops and equipment to establish an average size (470 acres) commercial farm in this country today. To maintain a farm, it would also help to have a background in biology, engineering, chemistry, agronomy, economics, marketing and accounting.

### BSL artist to display paintings

Dot Copeland of Bay St. Louis will be one of several artists and craftsmen from eight states slated to take part in the annual Spring Benlee Art Show in Cookeville, Tenn. on June 11th and 12th.

Ms. Copeland will exhibit watercolor paintings during the 20th consecutive Benlee show. She has taken part in the art show in past years and will return once again to display the works of her talent.

The show will be held 5 1/2 miles north of Cookeville and in case of rain, the event will be staged at the Cookeville Community Center on U.S. Hwy. 70. Saturday's showing will be from 9 a.m. to 6 p.m. and Sunday the times will be 1-6 p.m. (CDST).

DOT COPELAND

### Doussan on Dean's List

Joe Doussan, son of Mr. and Mrs. Henry J. Doussan of Bay St. Louis, was named to the Dean's list at Southeastern Louisiana University, Hammond.

Doussan, who is majoring in accounting, will enter his junior year in the fall.
